GENERAL PRICE LIST

These prices are effective as of February 7, 2020

Page 1 of 2

A list of funeral costs is mandated by the Federal Trade Commission. Every funeral home is required to make this list available upon request for comparison by the consumer. Our list has been simplified for this purpose and we make it available online. However, comparing prices can be confusing. We invite you to contact us for clarification.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the funeral goods and services you selected.

Basic Services of Funeral Directors and Staff **2,000.**

Our fee for the basic services of funeral directors and staff includes, but is not limited to, conducting the arrangement conference, planning and coordinating the funeral, obtaining necessary permits, writing and placing obituary notices, posting of obituary on our website, completing the necessary paperwork for insurance payments, veterans and other benefits, coordinating providers of outside services (clergy, cemetery, etc), pre and post funeral counseling, general business administration and recordkeeping. This fee for our basic services will be added to the total cost of the funeral arrangements you select (This fee is already included in our charges for direct cremations, immediate burials, forwarding and receiving of remains).

Embalming **550.**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Other Preparation of the body (Dressing and Casketing, Cosmetology) **250.**
